The Downtown Foundation-sponsored 1st Annual Marine Corps Toys for Tots drive last Saturday was a great success. 89 toys and \$193 dollars in cash and gift certificates were donated, all to help 50 families in our community.

However, many more requests were received and the Foundation, together with The Mom's Network, is committed to helping at least 50 more families.

A second Toys for Tots drive will be held on Friday, December 14th at Book & Game Company, 38 East Main Street at the corner of 1st and Main. New, unwrapped gifts or monetary donations can be made inside the store from 10 am to 1 pm. Book & Game will also give 20% off anything bought in the store for Toys for Tots during that time.

Special appreciation goes to the members of The Mom's Network for their donation of goods and time for sorting and distribution of the Toys for Tots donations.

Please call the Downtown Foundation office, 529-8755, for more information.
